**FC 20** (1986) Pope John Paul II, with expression of serious interest, receives a copy of *The Fatima Crusader*. The Pope also continues to receive from *The Fatima Crusader*, thousands of petitions for the collegial Consecration of Russia which we have gathered from around the world. We have been advised that “the Holy See is studying attentively your petitions concerning the Consecration of Russia to the Immaculate Heart of Mary.”

**FC 25** Pope John Paul II, on April 20, 1988 in St. Peter's Square, stopped and blessed this banner which reads “Consecrate Russia with All the Bishops of the World”. One pilgrim from this group met with and spoke directly to the Pope and repeated the message on the banner. Pope John Paul II responded “Yes”. To other pilgrims calling out this same message, the Pope replied, “I hear you.”

**Father Fox and *The Wanderer* Guilty of Disinformation Against Fatima**

by Coralie Graham

**FC 29** Spring 1989 – Catholics of the Ukraine attend their Mass and other religious services outdoors because it is forbidden for them to worship in their churches. Catholics of the Ukraine are often harassed and harmed by Soviet police who bring police dogs to the forest services.

These are the people who have been betrayed as a result of the political dealings between Moscow and the Vatican.

**FC 31/32** Our picture shows Cardinal Agostino Casaroli alongside his counterpart from Moscow. This Cardinal has been the Celebrant attempting the wedding between the satanic and the Divine as the Chief proponent of the Vatican-Moscow Agreement. This perfidious agreement betrays the Faith which as Catholics we are taught to defend even against Cardinals, as Cardinal St. Robert Bellarmine [Doctor of the Church] teaches.

**FC 17** Father Jerzy Popieluszko was recently kidnapped and murdered near Torun, Poland by Polish secret police. Father Jerzy was courageously and openly anti-Communist. His murder continues to dramatically demonstrate that the Catholic Church and Communism are irreconcilable. The Vatican-Moscow Agreement must be repudiated and Russia must be explicitly consecrated solemnly and publicly by the Pope and all Catholic bishops to the Immaculate Heart of Mary. Then the murder of priests and lay people by Communist regimes will cease entirely because Russia will by this means be converted by God to the Catholic Faith. As Our Lady said, when Her requests are granted there will be peace.

# Monument of Death Calls for Extermination of 9/10ths of World Population

**FC 55** Readers beware! You may be future targets for elimination according to the long-time planned agenda of the "power elite". This small group includes a few Americans who seek the Luciferianistic, Freemasonic "Age of Reason". Their shocking agenda is revealed in this photo of their monument which is inscribed in EIGHT different languages and calls for the elimination of 9/10ths of the world's population. It weighs 215,000 pounds and was constructed in 1980 on Route 77, 7 miles north of Elberton, Georgia.

## Carlos Evaristo's Fabrications

Shortly after his amiable meeting with Agostino Cardinal Casaroli, architect of Ostpolitik and the new ecumenism, Evaristo emerged from the convent at Coimbra with a "new" ecumenical message from Fatima.

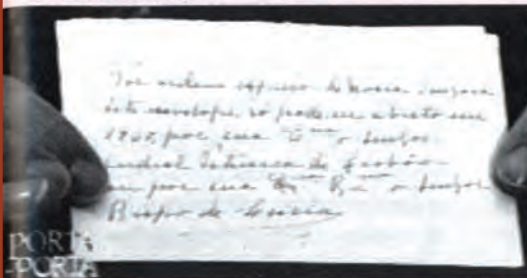

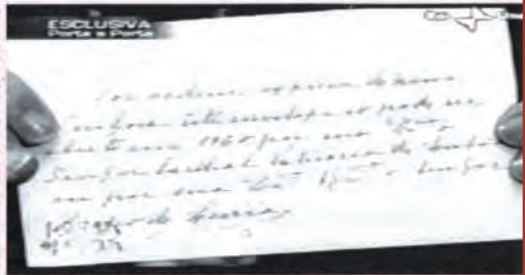

What inference can we draw from this strange coincidence?

The "new" message of Fatima proceeds from the "new" meanings given to its key words by the "new" Sister Lucy, claimed to be speaking to us from the pages of Carlos Evaristo's pamphlets.

### Who Do YOU Believe? Sister Lucy or Cardinal Bertone?

Cardinal Bertone told us on June 26, 2000 and on May 10, 2007 that Sister Lucy "confessed" to him that she had invented 1960 and that it was not Our Lady at all Who insisted upon 1960. "It (1960) was a fictitious date and Lucia confessed it with disarming candor." ... Cardinal Bertone, p. 92 of *L'Ultima Veggente di Fatima*, published May 10, 2007.

**YET** - It is Cardinal Bertone himself who, on National TV in Italy on May 31, 2007, revealed for the first time ever that these two envelopes (photographed here) were prepared by Sister Lucy herself for enclosing the Third Secret. Each envelope was sealed with three wax seals on the back. On the front of each, Sister Lucy wrote in her own hand the formal

order: "By express order of Our Lady, this envelope can only be opened in 1960..."
