

“Whosoever dies wearing this Scapular shall not suffer eternal fire.”

— Our Lady to St. Simon Stock

In the Brown Scapular of Mt. Carmel, Our Blessed Mother has given us our best protection against evil and the strongest defense against the terrible dangers of our times. Countless miracles have been associated with wearing the Brown Scapular. Our Lady solemnly promises at the hour of death to save any Catholic from Hell who devoutly wears the Scapular.

Protect yourself. Protect the ones you love.

With any size offering to help send this issue of Our Lady's Fatima magazine to others around the world, we will send you our special Scapular Kit, containing a blessed Brown Scapular of Mt. Carmel and our beautiful 32-page, full color booklet, *Our Lady's Garment*, which tells the story of The Brown Scapular: A Sign of Salvation and Protection, the most powerful Sacramental.
