Brazilian Archbishop Cardoso Sobrinho announcing to all the assembled bishops some very good news. He, along with two other Archbishops, had met the Bishop of Fatima on October 7th. Despite the fury of opposition that broke out against the Bishops Peace Conference, they received the Bishop of Fatima's blessing on our Conference.

At the end of the closing session of the first International Pastoral Conference in Fatima, Frère François (author of *Fatima: Tragedy and Triumph*) confronts Monsignor Luciano Guerra: "Monsignor Rector, can you swear on the Gospel that you have not written the apocryphal letters of Sister Lucy?" Guerra responded: "No, I do not want to. I cannot do it now in these conditions ...". Frère François then said: "Internal criticism of these letters show that they are fake." To which Guerra responded: "I will not discuss it with you." "You have no heart."

Rianjo Prayers Answered

A torrential rainfall greeted our busloads of Conference clergy as we reached Rianjo. Rosaries and prayers flew up to Heaven. This was a much too important site to miss. It was here that Our Lord said: "Make it known to My ministers that given they follow the example of the King of France in delaying the execution of My command, they will follow him into misfortune."

On our own bus, we prayed three Hail Mary's that the rain would stop. We had no sooner finished when the rains suddenly stopped, allowing the bishop and priests to experience the awe of what happened at Rianjo. Immediately, as we boarded our bus to depart, the rain resumed.
