

# 100th Issue Congratulations

**From: †Most Rev. Juan Abelardo Mata, Bishop of the Diocese of Esteli (Nicaragua)**

Thirty-four years of persistent and humble work to make known to the world, the mysteries of Fatima. Thirty-four years tenaciously promoting the prayer, intercession and reparation that Our Most Holy Mother asked for at Fatima!

We congratulate dear Father Gruner and his team of workers for this magnificent labor which has continued until the present, in spite of the lack of understanding and difficulties of all kinds encountered along the way.

We unite our joy with his, on the occasion of (the publication of) this 100th edition and we unite ourselves with him as well in this precious battle so that the Immaculate Heart of Mary will rule, always remembering that She already promised: "In the end, My Immaculate Heart will triumph."

May Our Mother continue blessing and opening new courses of action to these champions of Her love!

**From: †Paul Khoarai, Bishop of Leribe (Lesotho)**

I congratulate Father Gruner for the tireless work of his magazine. I assure him of my prayers.

God bless you, Father Gruner and The Fatima Center.

**From: Fr. Jim Anderson, M.S.A. (U.S.A.)**

Father Nicholas Gruner and Fatima Center Staff:

Congratulations on Issue 100 of *The Fatima Crusader*. Your courage, perseverance, prayers and God's grace have made it the flagship of Marian publications and a recognized authoritative voice for the whole Message of Fatima. I continue to pray with confidence that your reverent and respectful stand for the truth will win the hearts and minds of the Shepherds and faithful of Christ's Church to filial obedience to Our Mother at Fatima.

With respect and appreciation from a brother priest, on the Feast of Saint Matthew.
