

RUSSIAN SUNRISE

\$6.50

By Bruce Walters, M.D.

Russian Sunrise does something that no argument or exhortation, no matter how forceful, can accomplish.

It paints a vivid picture, in human terms and in eloquent prose, of what the Consecration of Russia will bring about in this world. Set in the years 2015 to 2017, Russian

Sunrise is a future fiction novel that explores what magnificent world-changing events might take place when the Pope finally performs the Consecration of Russia to Her Immaculate Heart as Our Lady requested at Fatima. When Russia is miraculously converted, it will become the modern world's most powerful Catholic Confessional State.

It reaches into the heart of truth, and there, enshrined in that truth, is Our Lady, waiting to offer our suffering world the only remedy to all its ills. In Her, we have – you have – all of us have – our **only** hope.
