

Part of the Crowd at Our Fatima TV Official Launch

On February 13, 2012 the Fatima Center officially launched Fatima TV 213 and Fatima TV WorldWide on the Web – broadcast in television quality. For the first time, the full truth of Our Lady’s urgent Fatima Message and our Catholic Faith will be broadcast to reach millions more souls so they can know, understand and act upon Our Lady’s warnings and requests.

Channel 213 is very significant – handpicked, it would seem, by Our Lady. 2-13 (February 13) is the day Sister Lucy died. The 13th, of course, is the date chosen by Heaven for Our Lady’s apparitions and is also the date of Our Lady of Fatima’s Feast day (May 13). See more photos from this monumental event on pages 40-41.
