

Pleas to the Holy Father

The following are some of the Pleas to the Pope which were videotaped by various bishops and priests at the *Fatima: Your Last Chance* Conference in Rome. These, together with pleas from other clergy and lay people, will be placed on a DVD and presented to the Holy Father.

Plea to the Holy Father by Bishop Luis Morao Andreazza from El Salvador, Central America

Praised be Jesus Christ!

Most Holy Father,

I am Luis Morao, Bishop of Chalatenango, El Salvador, in Central America by the grace of God and by your will.

Holy Father, I feel each day more worried, never lacking confidence in God, but every day more worried for El Salvador, my country where I live and work as bishop. This is because there has been a great loss of values – human values, moral values, and especially spiritual values – owing to unemployment, corruption and violence. The violence is the most serious problem. There is so much violence, Holy Father – no peace, neither in homes nor in communities.

Certainly, in El Salvador there are many good things taking place. The Church in El Salvador is still working hard for the evangelization

among our many humble people. Devotion to the Most Holy Eucharist is strong. Many people are very Marian. However, what worries me most is this violence, and it is violence in every sense of the word – in the streets and in the homes – and principally it is violence committed by the youth. There is more violence today than there was twenty years ago during the civil war.

Therefore, remembering what Our Lady of Fatima said many years ago – She recommended more prayer, penance and mortification – but also, the Blessed Virgin, by means of Sister Lucy, requested the Consecration of Russia to the Holy Heart of Mary.

Therefore I dare to say! – and who am I to suggest to you, Holy Father, what you have to do? – I am nothing! But with all sincere respect, humility and obedience, I beg Your Holiness to let me suggest a course of action: that you, together with all the bishops of the world, consecrate Russia to the Holy Heart

of Mary so that, as the Blessed Virgin Mary said, the conversion of Russia will come to pass and, consequently, the conversion also of many other countries. This will secure that peace so needed in El Salvador and other places – and with this consecration, our worst enemy, the great enemy of the Virgin Mary, who is satan, will finally be defeated, and the Triumph of the Immaculate Heart of Mary attained.

Holy Father, as for Russia, since many years ago, there have been many errors spread throughout the whole world from that nation. But by means of this consecration, Russia will be converted and through her, peace, justice, and the conversion in many countries of the world could return, so that Christ will reign in all hearts through the intercession of His Mother Mary.

Holy Father, pardon me that I dare address these poor words to you. Count on our prayers always – my humble prayers, and those of my faithful, ever constant.

You can count on my total obedience and respectful humility. May God bless you. Praised be Jesus Christ!

Plea to the Holy Father by Father Henry Tanto, Nigeria

Holy Father, I am from the congregation of Sons of Mary, Mother of Mercy. I have been reading the Secret of Fatima. I have found that in the third and fourth Secrets, there are issues. I have come to learn that they were not given to the people.

My plea to you, Holy Father, is that these secrets all be made public so that people can get the clear [understanding of the] Message of Our Lady of Fatima, which has been as a source of Our Lady's compassion to the world.

What is more, in it and in Her words specifically [are] Her requests for the Consecration of Russia, for world peace and for progress of the Church and Her strong faith in the world. We have been hearing from the media and from conferences and lastly from you, Holy Father, when you went to Fatima in 2010, that the Message of Fatima is very important for humanity. And that the Message also talks about the Church and therefore, I plea to Your Holiness to consecrate Russia with all the bishops of the world, according to the request of Our Lady of Fatima. We are only try-

ing to do our own part in following the directives of Our Lady and also in supporting you who are the successor of St. Peter: To strengthen our Church so that Russia will be converted, and Christianity and the Catholic Faith will be spread throughout the world. And the world will be saved.

Your Holiness, the world is praying for you; the world asks you to take action; the world wants you to play that prophetic role of Christ Himself, Who was never turned down [aside] by anybody, Who was ever going forward to do what He could to bring the faith. The faith of the Catholic Church has been entrusted to you to lead the Catholic Church; to have a strong faith and then obey Our Lady. Thank you. Long live Your Holiness. Long live the Catholic Church. May God Bless you. Thank you.

Holy Father, I am weak at the knee at the International Conference of Fatima. This is the third time I come to this conference. We know that the evil is increasing, day by day. And it comes in different forms throughout the world. And I have a request to you, Holy Father, that unless and

otherwise you consecrate Russia to the Immaculate Heart of Mary, we will not have any prevention of this evil. I am sure, from getting a lot of knowledge from this conference, that is the only way to save the whole world. I remember, when I was a small child, there was a prayer after Holy Mass. The Mass was in Latin, and this prayer was in my language. I hope that everywhere this prayer was said for the conversion of Russia; and thanks to Our Lady Communism was [somewhat] removed from Russia, but now it has entered into other countries. And we have to cure them of the root.

Our Lady asked the Holy Father to consecrate Russia. So far, no consecration of Russia is done. So we humbly request Your Holiness to consecrate Russia and thus save the whole world from Communism and from other evils. Thank you, Your Holiness.

Holy Father, please bless me. Please consecrate Russia to Our Blessed Mother. I was present at the Papal Audience yesterday. I was tempted to run to you to fall at your feet

The Conference attended the Papal Audience of Pope Benedict XVI.

and to beg you. Holy Father, please consecrate Russia to Our Mother Mary. I am a missionary priest from India, working among what Our Lord calls, 'the other sheep'. They are all Hindus.

But a very small band of lay missionary Sister volunteers are working in 72 villages. And not a single Christian is there in any one of these villages. Before I entered these villages, they had not heard even the name of Jesus Christ.

Despite His coming Himself 2,000 years ago, and despite the fact that St. Thomas, the Apostle, came to India with Christianity, around 2000 years ago. My mission is to bring Christ to these poor people and make Jesus known and loved. Will my mission succeed? Yes, but only through the intervention of Our Blessed Mother. She gave Christ to the world. Only She can give Christ to India, and India to Christ.

India bought her independence from the British on the 15th of August, 1947, the Feast of the Assumption of Our Mother; and since that day, She became in a special way the Patroness and Mother of India, our Mother. India bought her independence on Her Feast Day.

So India must get independent from the clutches of wrong beliefs and practice this only through Her. Again, only She can bring Her Son Christ to India and India to Christ. Our Lady of Fatima gives hope to me, Her promises encourage me, Her warnings frighten me.

Holy Father, I humbly plead with you to do what She wants you to do. Please consecrate Russia to Her. Once you do this, not only will Russia – even China – but also, my own dear India will be converted. Following this, my own poor village people will embrace Christ.

Holy Father, you are known for your hard work and great service to the Church, and your great love for the Church. You are also known for your great courage. Please, please, Holy Father, I pray to the Blessed Mother to give you more courage to consecrate Russia to Her Immaculate Heart, at your earliest. I pray for this on bended knee. Thank you, Holy Father; please bless me.

**Plea to the Holy Father
by Father Jim Anderson
from the USA**

Salve Regina. Most Holy Father, I am Father Jim Anderson from Santa Maria

in California in the United States. I've been a priest for 35 years and I've studied, written and preached about Fatima for ten years. We know that the founders of the godless State of Russia in 1917 were occultists. But you, Holy Father, are Peter. You have the authority of Jesus Christ to order your bishops to join you in solemnly consecrating the country of Russia, thereby, including its farms, factories, schools, churches, government, military and people to the Immaculate Heart of Mary, the Mediatrix of All Graces. By this solemn exercise that the sovereign authority, Jesus Christ, has conferred upon you, as His Vicar, the irresistible power of God will exorcise the demonic spirits Lucifer has in place at all levels throughout that poor country, and set it aside for the honor of and the use by the Immaculate Heart of Mary. She, who obtained the great Miracle of the Sun in 1917, will then obtain such like prodigies that will rapidly convert godless Russia to Christ as She converted the Aztec nation.

She will then crush the head of the snake by using a newly-converted Holy Russia to convert the world to the

true Church of Her Divine Son. And the true peace of Jesus Christ will reign in the hearts of all.

Most Holy Father, please do not fear, with Father Dhanis, that the Secrets of Fatima are fabrications or the imagination of Sister Lucy. Our Queen, Mother, Who obtained the Miracle of the Sun, precisely will authenticate this public prophecy and would not then jeopardize this accurate delivery by entrusting it to a fabricator or deceiver. Rather, Most Holy Father, the Heavenly Queen, Seat of Wisdom chose another St. Joan of Arc, the holy and heroic Sister Lucy of Jesus. Believe, trust and act soon, Holy Father. Jesus has entrusted His Church and our world to you. God bless you and His angels protect you. *Salve Regina.*
