*"A land of misery and darkness, where the shadow of death, and no order, but everlasting horror dwelleth." - Job, 10:22*

**URGENT! URGENT! URGENT!**  
**IMMEDIATE ACTION NEEDED NOW!**

Dear Friend of Our Lady,

Look at the photos! I know it is hard to do - BUT LOOK!  
This is the face of evil! **This is the world plunged into blood and chaos through disobedience to Heaven!**

**HOW MANY INNOCENT CHILDREN MUST DIE  
BEFORE THE WORLD WAKES UP!?!**

As we prepared this *Fatima Crusader*, some people on our staff said to me: "*Father, you cannot show pictures of children killed or about to be killed. It's too horrible! Too gruesome. People will become upset!*"

I thought about it. I prayed about it. I searched my mind and heart. And the answer became clear: **SEEING IS BELIEVING!**

**LOOK AT THE HIDEOUS WORK OF HELL!  
LOOK AT THE VICTIMS OF SATAN'S WAR AGAINST OUR LADY!**

And after you have looked - *not winced and turned away!* - *after you have looked*, can you tell me: "Father, you exaggerate the dangers we face. You are too pessimistic."?

If anything, I have been too restrained! The time has come to cast off restraint and speak as plainly, as forcefully as is humanly possible!

**THE BLADE IS RAISED ABOVE THE NECKS OF OUR OWN CHILDREN!  
WE CAN ACT NOW TO SAVE THEM, OR ABANDON THEM TO SATANIC  
SAVAGERY!**

I tell you plainly, that after 37 years of trying to convince people that we are locked in a final battle for the fate of the world and our immortal souls, I have reached a point

of desperation. Do I want to shock you? **YES! YES! AND YES!**

**- I want to shock you so that you will get down on your knees and pray with all your heart that Our Lady will be obeyed NOW!**

**- I want to shock you into demanding that our Church leaders do as Our Lady of Fatima asks NOW!**

**- I want to shock you into realizing that we have no other place to turn, no other hope of help except Our Lady!**

Do you really think our world leaders have a plan to stop the brutality and slaughter and rape that is spreading from country to country? Do you think they know what's going on?

Please, read the plea to the West made at our Fatima Peace conference in 2013 by the Archbishop of Antioch, His Beatitude Ignatius Joseph III Younan ([page 2](#)). He has watched the slaughter of Christians in his homeland and he tells us the West has no idea what is going on!

The President of the United States proposes more military action, including air strikes and arming "moderate" Muslims to fight "radical" Muslims. How absurd! Archbishop Younan tells us that Christians are facing extermination from these very groups the West wants to arm and train!

**The U.S. armed the mujahedeen to fight Russia. But the mujahedeen became the Taliban and Al-Qaeda and, ultimately, ISIS. The U.S. and its allies killed 100s of 1000s in a failed war in Iraq to establish a "stable democracy." Look at that "stable demoncracy" today!**

**Read James Hanisch's "ANNIHILATION OF CHRISTIANS" ([page 9](#))** for a catalogue of the horrors taking place in nation after nation, from Nigeria in Africa to the Middle East to Asia:

- Christians are being killed, often in horrible ways!**
- Christian women, including young girls, are being kidnapped, raped, sold into slavery!**
- Christian children are being beheaded, crucified, shot, driven into the wilderness to die of thirst and starvation!**

We must stop placing our faith in failed policies and clueless politicians! THEY ARE NOT IN CHARGE OF THE WORLD!

Who is in charge? Read Venerable Mary of Agreda's beautiful words in "**MARY, QUEEN OF HEAVEN AND EARTH**" ([page 16](#)). And take

special note of the phrase "...AND EARTH"!

In a vision granted her by Our Lord, Venerable Mary of Agreda, whose *Mystical City of God* has been praised by several Popes, tells us of the special privileges granted to Our Lady by the Holy Trinity at the time of Her Assumption into Heaven.

**Venerable Mary of Agreda hears Our Lord say the following: "To My True and Natural Mother belong all the creatures which were created and redeemed by Me; and of all things over which I am King. She, too, shall be the legitimate and Supreme Queen."**

So who is in charge of this Earth? Who has been made co-ruler with Our Lord? His Blessed Mother! She alone, of all creatures, has power over all creation!

**No president, premier, dictator, caliph, king or general rules here! They are permitted to act, to work their foolishness and evil, because of our lack of Faith! Because we have not turned to our true Queen to accept the help She offers us!**

And what lies before us if the world persists in ignoring and insulting its ONE TRUE QUEEN? **Read Antonio Socci's riveting article "Sister Lucy Biography Reveals Missing Third Secret Text" ([page 22](#)).**

Another piece of the Fatima puzzle is put into place by this intrepid Italian journalist whose landmark work, ***The Fourth Secret of Fatima***, established beyond question the existence of a hidden part of the Third Secret.

Socci examines revealing passages in a biography of Sister Lucy, the last seer of Fatima, composed by the nuns who lived and worked with her in the Carmelite convent of Coimbra. The biography contains new revelations concerning the meaning of the vision of the Third Secret in Sister Lucy's own words.

Immersed in a Divine light, Sister Lucy records having had the following vision:

**"...the point of a lance like a flame that is detached touches the axis of the Earth, and it trembles: mountains, cities, towns and villages with their inhabitants are buried. The sea, the rivers, the clouds, exceed their boundaries, inundating and dragging with them, in a vortex, houses and people in a number that cannot be counted."**

Socci published these excerpts in the Italian journal ***Il Libero*** on August 17, 2014. After years of cover-up and suppression, the truth is coming out now. Why now?

**Because time is running out for lies and delays! We are about to reap what a world and a Church blind and deaf to Our Lady's Message has sown!**

But how could a Message from Heaven, delivered by the Mother of God and attested by the greatest miracle of modern times - THE MIRACLE OF THE SUN WITNESSED BY 70,000 PEOPLE! - be silenced, ignored and discounted?

I have pondered this question for many years. And my answer is contained in my new book ***Crucial Truths to Save Your Soul***. Please read the appreciative review compiled by Fatima Center staff ([page 27](#)).

The Fatima Message is rooted in the Faith. It stands in the way of those intent on destroying belief in the doctrines of the Faith. Incredibly, tragically, many of those opposed to the doctrines of the Faith are the very people charged with preserving and propagating that Faith!

**What defense does a Catholic have against a Cardinal or bishop or priest who contradicts the defined dogmas of the Church? None! - UNLESS HE KNOWS THE DOGMAS!!!**

The diabolical disorientation within the Church Sister Lucy spoke about is here! It has been with us for some time, like a cancer, growing and eating away at the vital organs of the Mystical Body!

I wrote ***Crucial Truths to Save Your Soul*** as an antidote to this vicious disease of anti-Faith. I came to realize that we can no longer rely on all members of the hierarchy or all priests to teach what the Church has always taught. We must know the Faith!

If we do, no one can fool us or mislead us! If we know the Faith, we know the Message of Fatima as the one saving truth of our time, our only hope and help in the gathering darkness!

But along with knowing the Faith, we have to conform our lives to it! As Our Lady is the Supreme Queen of Heaven and Earth, Her commands must be obeyed! And Her command is that the Pope and the bishops consecrate Russia to Her Immaculate Heart - NOW!

We at Our Lady's Apostolate have been doing all in our power to bring about obedience to Our Lady's commands. With our conferences, our publications, our DVDs, our web sites, Fatima TV, our Rosary Rallies; with Our Lady's Army of Advocates and

**The Fatima Crusader.** We never stop! We seize every opportunity!

And the Holy Father is the key to the Consecration! So we are always looking for ways to let the Pope know that Our Lady is still waiting and the world is still suffering! We petition the Pope, we pray for him, we talk to those who may be able to reach him. And we are always trying to obtain an audience with him.

We have a dedicated volunteer in Rome who has been following Pope Francis' itinerary, looking for a chance to make contact with the Holy Father. **AND HE HAS SUCCEEDED!**

Read the exciting account of Michael Lucci's travels and repeated attempts to reach the Pope in "***L'Osservatore di Fatima Put Direct into Pope's Hands***" ([page 35](#)).

Nothing happens by chance in this world. All is Providence. And the opportunity given Michael Lucci that resulted in our publication going from his hands into the very hands of Pope Francis was ordained by Providence!

It was also the result of Michael's persistence and his deep faith in the importance of the mission entrusted to him. The Holy Father looked at ***L'Osservatore di Fatima***, then looked directly into Michael's eyes.

The exchange appeared so intimate that a bystander asked Michael if he knew the Pope personally!

***L'Osservatore di Fatima*** is a publication we produced for Oct. 13, 2013, and distributed in Rome when Pope Francis was supposed to consecrate the world to the Immaculate Heart of Mary. It is an account of the Fatima Message, Our Lady's requests and the fact that She still awaits the Consecration of Russia by the Pope and the bishops.

Pope Francis ultimately failed to perform a consecration of the world to the Immaculate Heart, as he had promised to do. He performed a rather weakly worded "entrustment" in which the bishops of the world did not participate. Yet, Pope Francis has dedicated his pontificate to Our Lady of Fatima, so we hope and pray he will soon receive the grace to obey Her.

What stands in the Pope's way? Why this inexplicable delay in obeying a direct command from Our Lady? Read my account, "***FATIMA: Roadblocks and Breakthroughs Part II***" ([page 40](#)).

Our Lady told Sister Lucy that unless the Consecration were performed in the manner She requested, Russia would "spread her errors." The principal error of communism is the same as that of freemasonry: it puts man in the place of God.

This error is the error of our time. Fatima opposes this error. It reminds us that this is God's world and that Our Lady is His consecrated Queen. In this article, I examine the forces within and without the Church that stand in the way of the Consecration and how we must fight them!

**This *Fatima Crusader* is shocking because the truth is shocking!** If you don't want to know the truth, you can look away, but the truth will sooner or later stand in front of you, demanding your attention!

Let's acknowledge the truth NOW! Let's work together to make the world realize that it has only one hope: Our Lady! And Our Lady is ready to help us ***IF WE OBEY HER SIMPLE REQUESTS!***

**But the Message of Fatima cannot be obeyed if it is not known! This *Fatima Crusader* is one of the most powerful we have ever published! It must be read by every Cardinal, bishop, priest and lay person we can reach!**

**Please, help us! We borrowed money to print this *Fatima Crusader* because of the urgency of the times. The information it presents and the way it presents it must be known!**

**Can you help us pay for the cost of this *Fatima Crusader*? Will you help us?**

Right now, billions of dollars are being spent by the great powers of the world to wage useless, bloody wars that will only beget more useless, bloody wars! But Our Lady's Apostolate must scrape and beg for every dime we need to carry on our work.

The world is willing to pay for bombs and bullets. Only you are willing to pay to spread truth and peace. Please, help us to make the urgency of Our Lady's Message known. Help save Our Lady's children - which includes you and me and all our loved ones.

Yours in Jesus, Mary and Joseph,

Father Nicholas Gruner

**P.S. This *Fatima Crusader* is the most powerful and shocking one**

we have ever published. We borrowed money to print it and send it to you, because it is so vital that you know of the horrors that are happening and that may soon be on our doorsteps. Please, help this apostolate cover the costs of this ***Fatima Crusader*** and to continue its work until the world wakes from the nightmare of its own making and turns to Our Lady - the only help we have.
