

WHY the World Needs Fatima NOW

NEWS ALERT * NEWS ALERT * NEWS ALERT * NEWS ALERT

ONLY by the fulfillment of Our Lady of Fatima's command for the Pope and bishops to consecrate RUSSIA to the Immaculate Heart of Mary will these wars and threats of wars be mitigated.

ALERT: Italy Uncovers Plot to Attack Vatican:

Italian authorities arrested four people suspected of extremism on Thursday and issued arrest warrants for two more operating in Syria, according to the Milan prosecutor. Authorities said one of the suspects is a Moroccan-born national living in Italy who had received orders from the Islamic State militant group (ISIS) to conduct an attack in Rome during the Holy Year. The man, who authorities named as Abdrrahim Outahrrick, is reported to have received a WhatsApp message from ISIS-held territory that read: "Dear brother Abderrahim, I send you... the bomb poem... listen to the sheik and strike."

ALERT: China Successfully Test Launches New DF-41 ICBM into the South China Sea:

China's recent test launch of its newest nuclear capable Inter-Continental Ballistic Missile, the DF-41, seems to have been intended to send multiple messages to Washington, whose Defense Secretary Ashton Carter, only days prior to the launch, had visited the disputed waters where the missile splashed down. Russia's new Arctic military base, Alexandra Land Inspectorate, which will house a permanent aviation squadron, is nearing completion, representing yet another step toward the multilateral militarization of this desolate and forbidding – but resource rich – region of the world. Russia is thus well prepared to fight for its claims in the territorial disputes between Norway, Russia, and the U.S. over this “land” of ice.

With increasingly aggressive rhetoric and posturing, China and Japan are pursuing their conflicting claims over an island group in the South China Sea. Recent legislation authorizing Japan to engage in armed conflicts abroad (forbidden to them since the conclusion of the Second World War) has further set the stage for an eruption of hostilities.

ALERT: Germany Will Deploy Troops in Lithuania to “Contain” Russia:

According to a German media report, the German military will soon be deployed in Lithuania as part of NATO's mission aimed at “containing” possible Russian aggression. Russia's Permanent Representative to NATO, Alexander Grushko, warns, however, that NATO's misplaced insertion of itself in Eastern Europe is creating a dangerous situation, imposing a confrontational scheme which will lead to retaliation from Moscow.

ALERT: World War III Has Begun:

A Third World War is already underway, writes Dr. Paul Craig Roberts, in the covert economic and propaganda warfare being waged by Washington against Russia, China, Brazil, and South Africa. We may soon find ourselves involved in a hot war of open, armed conflict when those countries realize that going to war is their only recourse to prevent further destabilization and to defend their sovereignty.
