On behalf of the Tamil Nadu priests, I would like to say a few words and thank Reverend Father Gruner, who is known throughout the Tamil Nadu Church from the many times that he has brought the statue of Our Lady of Fatima.

People remember him well and we are very grateful. Most of the people, including my parents, grandparents, and everyone in the village who touched the statue, prayed, and many miracles have happened. The conference is arranged so well and even these days I have seen many things Our Lady has done for me and for many people. I am sure we are on the side of the Angels and Saints.

The Catholic Church is founded by God the Father Himself and every century, He gives us some apostles. For the Twenty-first Century, Almighty God has given us Father Gruner and his God-given Apostolate. Let us all stand with him and co-operate with him in the message of God.

I take this opportunity to thank this Fatima family and the leadership of Father Gruner. We are very, very grateful that you had this meeting in Madras (Chennai). May God bless you and we are with you to stand with you to propagate the Message of Fatima.

Thank you, bless us, Father.
