

Few things weaken Our Lady's enemies more than the knowledge that millions of faithful and other men of good will are united in this holy mission of praying the Rosary and petitioning the Holy Father to consecrate Russia to the Immaculate Heart of Mary according to Our Lady's Fatima request.

The Obligation and the Right of the Faithful

Vatican Council II states that the faithful have the obligation and the right to make known to their pastors what their spiritual needs are (Const. on the Church, para. 37). It has been solemnly defined by Vatican I (Denzinger, 1830) and the Second Council of Lyons (Denzinger, 466) that we have the right to have recourse to our Holy Father, the Pope, in matters which pertain to ecclesiastical jurisdiction.

- **Send signed petitions to the Fatima Center. We will ensure they are delivered to the Pope.**
- **Copy and circulate the petition for others to sign.**

Most Holy Father: It is because of our obligation to Jesus and Mary to do our duty, we humbly beg you to consecrate specifically Russia to the Immaculate Heart of Mary, together with the Catholic bishops of the world, in a solemn and public manner as was commanded by Jesus and Mary in the Message of Fatima. It is only *"by this means"* that Russia will be converted and peace be given to our war-torn world.
