

“Even the elect would be deceived.”

THE THIRD SECRET IS THE KEY

The Third Secret is the Key to undeceiving the elect. It is:

- **The Key to the Salvation** of so many souls (even many self-righteous ones) who are completely deceived and presently rushing to hell.
- **The Key to End the Confusion and Disunity** of so many Catholic laypeople, priests, bishops and even Cardinals.
- **The Key to World Peace** because we cannot obtain the grace of the Consecration of Russia until the Vatican releases the whole Third Secret. The Blessed Virgin Mary gave an express order that the Third Secret be released to faithful Catholics in 1960. This command of Hers has not been respected. This outrage demands public reparation and Frère Michel says the only reparation that God will accept is the public revelation of that Secret. Until the Secret is released, the grace of the Consecration of Russia will not be given.

Once the full Third Secret is finally given to us, Catholics of good will around the world will finally see how they have been deceived. More importantly, they will know (before it is too late) what they must do to save their souls.

As Malachi Martin (who was given the Secret in February 1960) said on public radio before millions of people – when the Third Secret is finally released our Catholic churches will be full, the people will be on their knees beating their breasts, there will be long lines of people waiting for Confession.

Millions of Catholics today think they are on the right road. They believe they are living moral and spiritual lives which are pleasing to God.

However, once they know the full Third Secret – once they read Our Lady’s own words – they will know that they have been spiritually blind and that they have been following blind leaders, and are far along the path to hell.

There has been so much diabolical disorientation since 1960 among the clergy and the laity that we all need the actual words of Our Lady of Fatima in the Third Secret to set us all on the right path.

Pope John Paul II said:

“Can the Mother, Who with all the force of the love that She fosters in the Holy Ghost and desires everyone’s salvation, keep silent when She sees the very bases of Her children’s salvation undermined? No! She cannot remain silent.”

The Pope is telling us that our own salvation is being undermined — and the Blessed Virgin Mary, in Her Message of Fatima, is crying out to us to wake up and She is trying to tell us what we must do. But since the Third Secret is still hidden, most people continue to sleep on. We have a right to Our Lady’s words.

“Christ’s faithful have the right to be assisted by their pastors (that includes the Pope) from the spiritual riches of the Church ...” (Canon 213).

And “Christ’s faithful are at liberty to make known their needs, especially their spiritual needs, and their wishes to the pastors of the Church.” (Canon 212,2)

by Her merits, Her prayers, Her personal interventions, is working, praying, intervening all over the world where She is welcome, or at least not shut out. It is these graces that were unmerited, by me, by you, by all of us together and each of us singly, that have been poured into our hearts, without any merit of our own, in preparation for what is to come, which is the execution of God’s plan. It is the plan of God, the plan of Jesus and Mary, which will be implemented as soon as possible, to the extent we will

cooperate:

- in our own heart and lives;
- by obtaining the cooperation of those souls God puts on our paths, so that through our own and others’ prayers and sacrifices, we can reach the Pope, the bishops, the priests, the key lay people;
- by working always with the grace of Jesus and Mary operating in us, as well as Their grace working independent of us, so that finally enough is done — both in the order of grace of moving hearts and wills, and in the order of nature — by speaking, reading, thinking, meditating,
