Save your life! Save your soul!
**Inform yourself about the fundamental
importance of the Third Secret of Fatima!**

Pope Benedict XVI has defined the miraculous apparitions of the Blessed Virgin Mary at Fatima as “without doubt the most prophetic of all the modern apparitions.”

Our Lady appeared at Fatima to warn us of a catastrophe which surpasses anyone’s imagination, such as to include even the annihilation

of various nations and the loss of billions of lives and souls.

In the part already known of the Third Secret, the Blessed Virgin warns that each one of us — man, woman, or child — is in danger and it makes us understand that there is waiting for us a sudden and violent death. The loss of eternal salvation

is therefore more imminent now than ever before in the history of mankind. Billions of persons will go to hell unless the requests of Our Lady of Fatima are obeyed.

The agents of evil are working inside the Catholic Church to win the final battle, in which we are all now drawn into. Pope Paul VI said: "The smoke of Satan has entered into the Church."

Thanks be to God and to His Heavenly Mother we have a solution, a way to avoid the disasters which are threatening us.

Indeed the Message of Fatima is a message of salvation and of peace but only if we all — the Pope, the Cardinals and the bishops, the priests and all persons of good will — listen to it and follow the requests of Our Lady of Fatima!

Therefore, for Catholics it is fundamental to know entirely the words of Our Lady! Even though it has been repeatedly denied, such

words of Our Lady truly exist: we will find them in the second text of the Third Secret, which up until now has been kept hidden.

For the salvation of our souls, for that of our families, of our friends and of millions of other persons, we must persuade the Holy Father to publish the words of the Mother of

God, because only these can tell us what we must do and what we can do to save ourselves. Even you can help promote and make known the Message of Fatima!

Our Lady of Fatima has said: "Pray the Rosary every day." Pray

the Rosary so that the Holy Father will publish the entire Third Secret and consecrate Russia as was requested by Our Lady of Fatima. In this manner you will be praying for peace and for the salvation of your own souls and those of the whole world.

"Yes, I have read it [the Third Secret]." It regards "a radical call to conversion, the absolute seriousness of history; **the dangers which threaten the faith and the life of the Christian, and therefore (the life) of the world.**"

Said by Cardinal Ratzinger (who is now Pope Benedict XVI) and published in the Italian magazine called *Jesus* on the 11th of Nov. 1984.

Our purpose as an association is that of making known the truth regarding the apparitions and the Message of Our Lady of Fatima, by means of books and other publications which inform the people of the world in a more complete manner.
