

Our Lady of Fatima's Promise of Peace

The Blessed Virgin Mary appeared to Sister Lucy on June 13, 1929, to tell her that “the moment has come in which God asks the Holy Father to make, in union with all the bishops of the world, the Consecration of Russia to My Immaculate Heart, promising to save it (*Russia*) by this means.”

Sister Lucy explained in numerous public statements that the *only* way this request can be fulfilled is for the Pope, together with all the Catholic bishops in the world, to consecrate Russia (and specifically Russia) to the Immaculate Heart of Mary on the same day and at the same hour in a solemn and public ceremony.

The Vision of Tuy

Still, Our Lady's request for Russia's Consecration remains unfulfilled

Now is truly the time when *every* believing Catholic needs to stand up and be counted in the effort to fulfill Our Lady's request for Russia's Consecration. We must also do what Our Lord Himself commanded regarding the delay in heeding Our Lady's request: “Pray a great deal for the Holy Father.”

We beg you to add your name to those of more than six million faithful Catholics, respectfully asking the Holy Father to fulfill Our Lady's request for the Consecration of Russia.
