

**“Whosoever dies wearing this
Scapular shall not suffer eternal fire.”**

— Our Lady to St. Simon Stock

In the Brown Scapular of Mt. Carmel, Our Blessed Mother has given us one of the best protections against evil and a strong defense against the terrible dangers of our times. Countless miracles have been associated with wearing the Brown Scapular. Our Lady solemnly promises at the hour of death to save any Catholic from Hell who devoutly wears the Scapular.

Protect yourself. Protect the ones you love.

With any size offering to help send this issue of Our Lady’s Fatima magazine to others around the world, we will send you our special Scapular Kit, containing a blessed Brown Scapular of Mt. Carmel and our beautiful 32-page, full color booklet, *Fatima! Through the Eyes of a Child*, which tells the story of Our Lady of Fatima’s 1917 apparitions to three little shepherd children.
