- On June 26, 2000, Vatican officials released what they claim was the Third Secret of Fatima. They further said that it was a prediction of the attempted assassination of Pope John Paul II in 1981.
- Antonio Socci, an acclaimed Italian journalist and television personality, originally sided with the Vatican's interpretation of the Third Secret.
- Upon closer investigation, the evidence led him to the conclusion that there is another document of the Third Secret containing the actual words of Our Lady. So far, the Vatican is still hiding this text while daring to claim all is revealed.
