

Cleveland Rally Lectures Available

One person who heard the lectures from our two-day conference in Cleveland (June 6-7, 2009) said, “*There was a tone of urgency in this conference that was more pronounced than ever before, and rightly so.*”

Father Nicholas Gruner —

1) The Dangers to the Faith and to the Life of the World

Cardinal Ratzinger, now Pope Benedict XVI, said in 1984, the Third Secret speaks of “dangers threatening the faith and the life of the Christian and therefore (the life) of the world.” (See article on [page 3.](#))

2) The Remedy: Our Lady’s Immaculate Heart Will Triumph

Contrasts today’s plan of modern man, which excludes God from society, with the plan of Our Lady given at Fatima. The plan of man will bring death and destruction; only the plan of Our Lady will restore grace and peace to the world.

John Vennari —

3) Fatima and the New World Order

Quotes powerful insiders who admit openly their plan for a New World Order. (See article on [page 37.](#))

4) Our Lady’s Remedy to Universal Apostasy

The Church Fathers teach that the mark of Antichrist is the prohibition of Christian teaching. Spotlights how much anti-Christian legislation is being enacted throughout the world. Our Lady clearly gave the remedy, as recent history demonstrates.

David Allen White, Ph.D. —

5) To Imitate What They Contain: The Joyful and Sorrowful Mysteries

Dr. White, one of the most gifted speakers in North America, takes us through the Joyful and Sorrowful Mysteries with keen insights on how they directly apply to our lives today. You will certainly relate with everything Dr. White says. (See article on [page 14.](#))

6) To Obtain What They Promise: The Glorious Mysteries

This by far is one of the most beautiful lectures ever given by Dr. White. Employing magnificent quotes from Dante and Shakespeare, he fixes our thoughts on the wonderment and glory of Heaven. This lecture has the potential to change lives.
