

GREEN SCAPULAR OF CONVERSION

Our Lady's powerful Green Scapular is that of cures and conversion — bringing Her Son into the hearts of men ...

In this era of chastisement, you CAN help convert your loved ones and friends, and even enemies of God, by placing a Green Scapular in their clothing or anywhere in their belongings or household — AND — by reciting a simple prayer daily, as is written on the Green Scapular:

“Immaculate Heart of Mary, pray for us now and at the hour of our death.”

Remember, although wonderful graces are obtained, they are proportionate to the confidence with which the Green Scapular is given.

The Green Scapular was twice approved by Blessed Pope Pius IX, in 1863 and again in 1870.
