The Moment has Come! ...

Twelve Million more Rosaries for the Consecration of Russia

The Pope wants to do the Consecration! He is battling powerful forces – the “smoke of Satan” – within the Vatican itself. He needs the support of our Rosary prayers!

Over the next 12 months, many MILLIONS of Rosaries are going to be said for the Consecration of Russia and Our Lady's Triumph.

Our Lady said: “Sacrifice yourself for this intention and pray” for the sake of each and every soul that will otherwise be lost.

PLEASE do YOUR part to win this final battle between Heaven and Hell.

PLEASE join us and the millions of devout Catholics who are praying and sacrificing as never before.

**Victory will come
through the Rosary**

To help you and us keep track of your part of our Fatima Rosary Crusade, we will be happy to send you a Chart to help you to keep track of the number of complete (five decade) Rosaries you say each day. Order your FREE Chart from contact information on [page 63](#).
