

Pope Benedict XVI tells us:

## The Third Secret is Unfolding NOW!

Pope Benedict XVI, on his pilgrimage to Portugal in May, stunned the press and the Catholic world by saying that the prophecy of the Third Secret of Fatima is about the sufferings of the Church and of the Holy Father that are happening NOW and will happen in the near future. And he said these sufferings are because of the sins within the Church.

The Pope is trying to do what Our Lady of Fatima asked. He wants to consecrate Russia to the Immaculate Heart of Mary and to reveal the hidden text of the Third Secret, to which he was referring. But he is opposed by powerful forces in the Vatican bureaucracy. On the subject of Fatima, Pope Benedict XVI has just publicly contradicted the present Secretary of State! (See page 26ff for more details.) The Holy Father will be under attack as never before!
