

“Whosoever dies wearing this Scapular shall not suffer eternal fire.”

— Our Lady to St. Simon Stock

In the Brown Scapular of Mount Carmel, Our Blessed Mother has given us our best protection against evil and the strongest defense against the terrible dangers of our times. Countless miracles have been associated with wearing the Brown Scapular. Our Lady solemnly promises at the hour of death to save any Catholic from Hell who dies wearing the Scapular.

Protect yourself. Protect the ones you love.

With any size offering to help send this issue of Our Lady's Fatima magazine to others around the world, we will send you our special Scapular Kit, containing a Brown Scapular of Mount Carmel and our beautiful 32-page, full color booklet, *The Brown Scapular: A Sign of Salvation and Protection*, which explains the history, the use and the promises of this most powerful Sacramental.
