

Father Gruner's Personal Appeal to Pope Benedict XVI

In response to many who have urged Father Gruner to talk to the Pope, the letter below is one of several attempts. Perhaps you or a friend knows a way to get Father Gruner's personal appeal to the Holy Father.

Queenship of the Blessed Virgin Mary

Dear Holy Father,

I write in obedience to an African Cardinal and a South American Archbishop. Both of them on different occasions told me that I must meet with you.

I have written you before on March 25, 2010. I do not know if you have received my letter. I had an appointment with Pope John Paul II some years ago but at the last minute I was told the Pope was ill and he could not see me.

If God wills it, we shall meet for the glory of God, the salvation of souls and the Triumph of the Immaculate Heart of Mary before it's too late. If not, I pray I have fulfilled my obligation before God and before men to have at least tried to meet you, as I am strongly advised and

urged to do.

I know how valuable your time must be. But I also know how valuable a soul is to Our Lord and Our Lady and to you, His Vicar.

So I ask you, Holy Father, to allow me to speak to you personally, for what I have to say is vital to the salvation of many souls and to your own safety.

For 33 years, I have headed The Fatima Center, an apostolate devoted to spreading the Message of Fatima. And your manifest devotion to Our Lady and to Her saving message given at Fatima emboldens me to again request this meeting.

Your efforts to combat secularism and relativism have given all true Catholics heart and hope. Though,

Holy Father, as you probably know, it will only be through Our Lady's Triumph, that you prayed at Fatima would take place by 2017, that will succeed in restoring our damaged Church.

Your predecessor of venerable memory, Pope John Paul II, consecrated the world on various occasions. The most notable was on March 25, 1984 on which day he twice proclaimed to the world that he knew that what he had just done was not the Consecration of Russia as requested by Our Lady of Fatima.

I have been writing to all the Catholic bishops on this topic for the past 20 years and I know that they would cooperate and obey your command to fulfill exactly the request of Our Lady of Fatima.

I also have been reading the objections raised by persons close and far from you as to why you cannot at this time fulfill this essential request. I have been publishing answers for the last 26 years to any and all objections raised by opponents of Our Lady of Fatima and other persons.

As I noted above, I have spent 33 years of my life trying to save the Pope from per-

sonal disaster predicted in the Fatima Message, which danger comes closer every day as you yourself know.

Despite the lateness of the hour, your life (or your immediate successor's) can be saved but it specifically requires that Your Holiness or your successor consecrate specifically Russia. Unfortunately, from all I can tell, no one has told you this unvarnished truth.

I am prepared to defend these and other statements about Fatima against any of your counselors who disagree with me or who claim for whatever reason that it is impossible at this time to obey Our Lady of Fatima's specific requests which only you or your successor can fulfill.

As you well know, I have recently conducted *The Fatima Challenge* Conference in Rome from May 3-7, 2010. We challenged anyone who said the Consecration of Russia is done and done properly according to Our Lady of Fatima's requests to come and show us where we are wrong. No one was able to do so.

Furthermore, not only I but a number of Fatima experts have demonstrated the urgent need of this act of obe-

dience to Jesus and Mary in the near future, to avoid the otherwise certain disaster of the fulfillment of Our Lady's prophecy "various nations will be annihilated."

We invited to *The Fatima Challenge* Conference in Rome all the members of your commission on Fatima which has been called together by Your Holiness since at least 2006. If any came, they did not identify themselves as members of that commission.

Your Holiness, I know you have many pressing obligations and requests for your time, but the salvation of millions of souls and the prevention of the annihilation of nations seems to us to be among your most pressing obligations. Please let me speak to you, I would like to further explain to you a) that the Consecration is most urgent, b) that it is still possible for you to do it, and c) to answer any objections Your Holiness or your counselors may have.

There is much opposition to Fatima from the most unusual places, that is why it is much better I speak directly to Your Holiness, but if I cannot meet with you, at least let me explain these matters to your closest confidant who

will convey my thoughts to you.

Help is at hand. Our Lady of Fatima offers it. If all is done as She requests, She will bless your efforts with a success that will astound the world.

My lifetime of learning about and devotion to the Message of Fatima is at your disposal in your crucial fight for the Faith.

Again, I humbly request a few moments of your time. I offer you my assistance as Our Lady of Fatima's complete Message is the Church's only hope to overcome all the problems facing Her, facing Your Holiness personally and facing the whole world.
Yours in Jesus, Mary and Joseph,

Father Nicholas Gruner
